Tuesday, April 5, 2016–2:00 and 7:00 pm Luana Savings Bank, Luana, IA

Pam Kerndt will be presenting and demonstrating her Mola Quilts. Pam is a former guild member and will be showing us how to sew a Mola quilt block. This is a type of reverse applique found in Central America and other parts of the world. She was lucky enough to collect some original pieces while visiting the area many years ago.

If you would like to make a block, she asks that you bring 4 - 4"-6" pieces of different plain, solid colors including 1 of red and 1 of black. Thread to match fabric colors, sharp, pointed scissors, paper scissors and a basic sewing kit including applique or sewing needles.

Lunch committee for afternoon meeting: Rita Anderson (chair), Joan Moody, and Madonna Strumme.

Lunch committee for evening meeting: Cheryl Mulder (chair), LaVonne Hartson, Pat Butikofer, and Linda Monroe.

Program Notes...

The January workshop with Ruth Ann Hunter was well attended.

Paper patterns were handed out and step by step instructions were shown. Ruth Ann assisted those trying their hand at paper piecing for the first time as well as showing some new tips to those who had done it before. There was a wide variety of colors and many beautiful quilts were started; some of them have been completed since. Hopefully they will be brought to a meeting soon for show and tell and hung at the quilt show. It was a fun day with good friends, good weather and a few good laughs. A tasty lunch was served.

February Charity/ QOV Sew day had many members getting together in the spirit of charity quilting. Some worked on their own projects while others helped with guild projects. Marilyn Barron brought in 3 cute puppy dog quilt kits to be pieced for charity giving. There were 5 quilted quilts brought in to be passed on to the Decorah group, 2 brought in with binding on for Sue, and 2 more had borders put on and are now ready for quilting. Many of our collected blocks have been put into tops. Some will need borders and others will need some sashing and cornerstones to complete before quilting.

There are two Quilts of Valor events planned for this year. We would like to present some quilts at The Traveling Wall coming to National, Iowa, June 30 - July 5, and also at our Quilt Show in October. We will continue to have some monthly blocks and another sew day planned for May 3rd prior to our annual meeting. The block for April is a 12 1/2" cornerstone. We have done this one in the past, but I need some more to complete the top. It is found in The Thrifty Quilter book.

The Blue Spoon Scoop

As I write this article the weather, with temperatures above normal, reminds us that spring is just around the corner. If you watched the famous Punxsutawney Phil, we were told that he did not see his shadow and an early spring is predicted. Let's sure hope this guy is correct!

Change – hard to get away from change, isn't it, but change is good. We have several offices that will need to be filled this coming spring. Those include: the following positions: Vice-President, Secretary, Librarian, Publicity, Program, Show Chair and Afternoon Chair. You will be contacted, so please give some thought to sharing your talents in helping direct this club into the future. Everyone has an opinion, and we would like you to share yours. Some officers have held these positions for a while, and it's time to give them a break and enlist other members to share in the leadership roles.

We still do not have our lunch committees filled for this club year, which ends in August. We will have day and evening meetings this summer – June, July, and August, so we need to get that task completed. Please email Ruth Ann at rahunter@neitel.net or give her a call at 563-418-9988 if you have yet to serve this year. If we do not have a good response, we may have to assign a designated day and time and it would be your responsibility to find your own replacement. Please help us complete this task promptly.

Our garage sale in planned for our March meeting. Dig in those closets, containers, and drawers for some of that old fabric that has not made its' way into a project yet and bring along to see if someone can use it. (That is, IF you can part with it. I don't know if I can!) Our club library books have been gone thru, and many will be for sale to our members. We also have a couple of carts for sale, so bring your \$ or your check book and go on a shopping spree.

I am anxious for show and tell - to see what our members have accomplished so far this winter. I have yet to get that quilt on the frame for hand quilting, and winter is passing so quickly – well,

maybe not THAT quickly. See all of you soon.

QUILT BATTING INFORMATION

The guild has quilt batting for use in charity and Quilts of Valor quilts. This is free for quilt members to use for either of these types of quilts. The quilts have to be made by the member and recorded by the guild as a personal charity quilt. Both battings are 96 inches wide. If you need some batting, please let me know the amount, so I can have it cut beforehand.
