

NorthEast Iowa Quilters' Guild 2022-2023

## 40th ANNIVERSARY CHALLENGE

*A quilt challenge to celebrate the 40th anniversary of the NorthEast Iowa Quilters' Guild*

1. Choose any quilt magazine (or any other magazine, for that matter)
2. Turn to page 40. If you don't like what you see on page 40, just choose a different magazine!
3. Use whatever is on that page as your inspiration. You could recreate the project on that page - or just start with the color - or shape - or the text on the page. Absolutely anything goes!
4. Make your project by any method - piecing, appliqué, fusing, whole cloth, collage... Make your project in any size - from postcard to king sized quilt.
5. When you've finished the top, quilt and finish it.
6. Bring your completed project to the June 2023 meeting for show-and-tell.

Take some time to celebrate 40 years of the NorthEast Iowa Quilters' Guild and express your own creativity. Any questions - contact Mike or Nancy. Have fun with this project!

Best wishes,
