

## ABOUT

North East Iowa Quilters' Guild was organized by 45 interested quilters in Spillville, Iowa, more than 40 years ago in 1982.

The guild is a non-profit organization with the purpose of encouraging and promotion high standards in the practice and knowledge of quilting, conducting educational programs and providing for the interchange of information between members.

Service sewing projects are encouraged, with many members making quilts for Quilts of Valor, children who are in need of comfort, local church organizations, and various other efforts.

Annual membership is \$20. Guests are welcome.
